Dear Itzhak and family:

I enjoyed talking with you the other day and was sorry to have such bad news to tell. However, as I mentioned, Ora is feeling very well and we now have a specialist looking into our case so the future does not look too dark.

My work on the other hand is coming along better than expected. In the last year I have learned a great deal and handled successfully varied cases.

It will be nice if Anat has a baby brother to help her handle the sports and financial columns.

Another happy note on the horizon is Ora's mother's impending visit. If all goes well she will leave Haifa and will arrive in New York around May 12-14. If you people are able, try to come to visit us around May 7 and then we can all drive back to New York to meet the ship when it arrives.

Tonight we are going to the Embassy to celebrate Israel's fifth anniversary, and eat falafel which I understand they are going to serve. Last year, at this time, we were talking about Himmelfarb, Turover & Co... Remember?...

The enclosed picture was taken less than two weeks ago. Ora's prize was a hat by Mme. Chautemps.

We will certainly get together one way or another soon and continue where we left off a few months ago.

Our best wishes to you all,

Ira + Ora

Dear Itzchak:

I thank you very much for your letter of Aug. 6th and I wish to advice you, that I anticipate to come to New York in the course of the week beginning with Aug. 17th, when no doubt we shall have an opportunity to discuss the matter mentioned in your letter.

I shall get in touch with you immediately on arrival over the phone and I shall stay in the Beacon Hotel, as usual.

If you happen to meet Mr. Yavnai, please advice him of my forthcoming visit to New York.

I remain, with best regards,

Dear Jizchak,

Many thanks for your letter of July 28th, contents of which I have noted.

Regarding the Israeli bonds I still think, that it should be possible to purchase fairly large amounts at reasonable rates, before a market is officially created. Once these bonds are officially traded at the N. Y. stock exchange, it will be no business any more. It just may be, that N. Y. is not the right place for it, as there are too many "chachumim" in N. Y. I want you to think-over this problem, how one could get started and I shall discuss the matter with you during my next forthcoming visit.

In the Real Estate matter, I am sorry to say, that the land I had in mind to purchase and I wanted to make an offer for, is no good. After having investigated the matter very thoroughly, I decided against making an offer and I am now looking for other land, on the same lines with the same ideas. I am sure it is the best investment one can do.

Concerning the investment of some \$ 25,000.- to 35,000.- in Israel of your friend, we shall have to discuss this matter personally. I expect to come to N. Y. in the week following the 10th of August and we could then talk to the man.

I still hope to hear from you, whether you have been able to find a firm company with a substantial amount of blocked account in Israel and I remain with best regards to your wife and yourself,

Yours, sincerely:

Dear Mr. Vardy:

My husband and I have just returned from abroad where we also visited Israel and met your sister, Mrs. Marmas Weiss, and her husband and son, Mishka.

It is just two months today that we saw them and we promised to be in touch with you and give you personal greetings.

If you should like to call and speak with us about them you can reach us at home at LEhigh 5-4321 or at my husband's office - MEtrose 5-8805.

Mishka is a very fine youngster and very bright and they make a charming little family; it was a pleasure to make their acquaintance.

Very sincerely,

Mr. Itzhak Vardi
102 West 85th Street,
New York, N. Y.

Dear Itzhak:

I have looked into the three matters about which you recently asked me.

- 1) Indochinese piastre banknotes are convertible at the Banque de l'Indochine in France at a rate of 17 francs to 1 piastre. Convertibility is limited to travelers returning to France from Indochina and to those individuals or companies which are engaged in business with Indochina. The piastre, officially 20 to the U. S. dollar, is, I am informed, selling at between 55 and 60 to the U. S. dollar in the free market.
- 2) The purchase, sale or possession of gold in the United States is strictly circumscribed and regulated by law and regulation. It is legal, however, for anyone in the United States to buy and sell gold, for domestic or foreign account, which is physically located outside the United States. Hence, the purchase or sale in the United States of stock certificates, bearer or nominative, evidencing ownership of a stated quantity of gold situated outside the United States is legal. The current price of bar gold, Zurich, is circa 37.75 per fine oz.
- 3) The conversion of certain foreign banknotes (U. S., British, French, Swiss, Belgian, Egyptian) into DM may be made in West Germany at the official rate of such banknotes. There is no limitation upon the amount of such banknotes which may be brought into West Germany.

I hope this answers the questions which you have raised.

With best wishes, I am

Sincerely yours,

Alex
Alexander Sacks

MEMORANDUM

Re: ITZHAK VARDI
ESPIONAGE - IS

At 10:30 a.m. Special Agent A. L. Gucker of the Albany Office telephoned and said that ITZHAK VARDI and MAURICE J. DISKIN were driving on their way to New York City from Albany in a green 1950 Chevrolet convertible coupe, license 1F4456, which is registered to DISKIN at 8735 Bay Parkway, Brooklyn, New York. DISKIN purchased the car in Albany, apparently, it having been registered there in March, 1952. They were travelling down Route 9W and would apparently enter New York City on the West Side Highway. They were under the surveillance of Albany Agents Bagley and Piper, who would call the New York Office when they brought DISKIN and VARDI into the city.

Agent Gucker said that RAFELLI and VARDI were checked while in Albany and did not appear to be making any significant contacts. They seemed to be legitimately occupied with the Israeli bond campaign. Albany had been checking them through established sources and spot checks.

VARDI and DISKIN undoubtedly were going to return to Albany after the weekend. RAFELLI was still in Albany. While in Albany DISKIN did not stay at the same hotel with RAFELLI and VARDI, but did work with them.

New York was requested to advise Albany when VARDI and DISKIN start back for Albany.

Memo

Re: ITZHAK VARDI #65-15961

ESP - IS.

At 6⁴⁵ PM S.A. James Martin telephoned me to advise that subject was heading north in a light green Chevrolet registered to Maurice Diskin, in the company of a man, probably Diskin.

S.A. Martin stated that subject had driven to New York from Albany on Friday, Mar 14th, and was probably returning there, since Albany office had advised that subject had a reservation in an Albany hotel for tonight.

Mr. Martin requested that I call Albany to alert them and have them give subject the same coverage they had previously given him.

I so advised Night Clerk Bertram Vanderbilt, Albany, at 6⁵⁵ PM.

S.A. Martin later called me to advise that he had tailed subject to Hawthorne Circle, dropped subject, who continued north, & sent a confirming teletype to Albany and Bureau.

With reference to the Palestine Economic Corporation (hereinafter referred to as PEC), this organization has been described by reliable informants as a corporation organized by prominent men in American Jewry, specifically MARSHALL, MORGENTHAU and BRANDEIS, for the purpose of selling stock in the United States in ventures in Palestine. Informants reflect that PEC was originated by these prominent Americans to enable Palestine to have economic lifeblood by way of American investments in that country. It is stated that the corporation has been in existence approximately twenty-five years and that it pays a dividend of approximately 4% and has since its origin. Informants point out that it is no way connected with the government of Israel and that it is strictly opposed to the policies of the present Israel government, which are, as pointed out above, socialist in principle and action.

PEC, according to informants, believes that the principal good to Israel will come from the investments there of large sums of foreign and American capital so that the capitalist system will become prevalent there as it is in the United States. [REDACTED] stated he felt that policies of PEC were the best policies for Israel and that [REDACTED]

RESIDENCES AND APPARENT PURPOSE OF SUBJECTS VISIT TO BUFFALO

T-1, of known reliability, stated that on the afternoon of February 7, 1952, the individual who registered as JOSEPH RAFFAELI was assigned Room 1063 at the Hotel Statler and Mr. and Mrs. VARDI were given Room 1224. According to T-1, all of these individuals gave addresses as Palestine Economic Corporation, 400 Madison Avenue, New York City.

T-3, of known reliability, stated that on February 8, 1952, RAFELLI had a business discussion with someone concerning his business in Buffalo. RAFELLI is reported to have discussed, among other things, the procedure of accepting notes as payment for stock subscriptions. RAFELLI advised that stock certificates are to be issued as the note is paid off. T-3 further advised that RAFELLI mentioned that he called Dr. KAPLAN on the preceding night and a certain matter was straightened out. RAFELLI also said that he had a "good day" on that date and has a "string of meetings lined up". Among individuals he said he saw on that date were MAX YELLEN, LEO ROSEN, and "The Executive Director of the Federation Bureau". RAFELLI was also reported to have said that about eight to ten persons in Buffalo will have "Parlor Meetings". RAFELLI expressed the desire of getting \$100,000.00 out of Buffalo.

T-3 said that RAFELLI desired to get committees of local people to help and he pointed out that he has never before raised an investment fund. According to RAFELLI, the following individuals will be the central point of the drive: the "Executive Secretary of the Federation, Judge DIAMOND, and LEO ROSEN".

As set out in another section of this report, RAFELLI on February 7, 1952, prior to the aforementioned discussion had made contact with the Law Office of LEO ROSEN who is an attorney in Room 1228 of the Prudential Building. It will also be noted he visited the Law Office of MAX YELLEN at 162 Mohawk Street.

Concerning "Judge DIAMOND" mentioned above, this person is probably identical with the former New York State Supreme Court Judge, DAVID DIAMOND about whom the files of the Buffalo office disclose the following pertinent information:

T-4, of known reliability, during July, 1944, stated that he considered DAVID DIAMOND then to be an active member of the Communist Political Association in Buffalo.

BU 65-2111

The Communist Political Association has been cited by the Attorney General as coming within the purview of Executive Order 9835.

T-5, of known reliability, on February 21, 1945, stated that while in Communist Political Association Headquarters in Buffalo a short time before, MAIA JAMES, known to the informant to be the Administrative and Organizational Secretary of the Communist Political Association, made the remark that DAVE DIAMOND was actually a member of the CPA.

T-6, of known reliability, stated that on May 23, 1945, while at CPA Headquarters, the informant observed a letter addressed to SAM COLEMAN, known to the informant to be the Chairman of the Erie County CPA. The letter was written by DAVID DIAMOND and in it he enclosed an application for membership in a certain civic group. The informant mentioned at this time that DIAMOND was not a member of the CPA but perhaps could be classified as a "Communist sympathizer". Informant said that he had never seen DAVID DIAMOND at any CPA functions. T-6 stated that on several occasions, he heard SAM COLEMAN call DAVID DIAMOND a "good guy". According to the informant, COLEMAN uses this term to describe persons with whom he gets along on matters of "mutual interest". Informant advised that information had come to his attention that about five or six years prior to this period, DAVID DIAMOND had used his influence whereby the Communist Party was permitted to hold public meetings in Buffalo.

T-7, of known reliability, in July of 1946, stated that LOYD KINSKY, known to the informant to be the Erie County CP Chairman, stated on July 30, 1946 that DAVE DIAMOND was going to handle the legal work for the CP Election Committee in Buffalo.

The "Buffalo Evening News" in its editorial on November 25, 1947, stated that DAVID DIAMOND was on a "partial unofficial list of sponsors" of a meeting planned for December 11, 1947 under the auspices of the Buffalo Chapter of the Progressive Citizens of America, which was to be addressed by HENRY AGARD WALLACE, a Presidential candidate.

The Progressive Citizens of America has been cited as a "new and broader Communist front for the entire United States, formed in September, 1946 at the direction of "Communist steering committees" from the "Communist-dominated National Citizens Political Action Committee" and the Independent Citizens Committee of the Arts, Sciences and Professions. This citation appeared in the California Committee on UnAmerican Activities, Reports, 1947, page 369 and 1948, page 354.

BU 65-2111

T-8, of known reliability, stated that on June 28, 1949, CHARLES DOYLE, believed by the informant to be a member of the Communist Party, had asked DAVID DIAMOND for assistance in sponsoring a Civil Rights Conference to be held in New York City but DIAMOND was reported to have replied that he could not lend his name to anything at that time.

The Executive Secretary of the "Federation" mentioned by RAFELLI undoubtedly refers to ARTHUR S. ROSICHAN, the Executive Director of the Buffalo Federation for Social Service, Root Building, who resides at 745 West Delevan. Contacts with this person by RAFELLI and VARDI are subsequently set forth in this report.

T-9, of known reliability, stated that on February 9, 1952 during a discussion of business activities in Buffalo, RAFELLI again made mention of "Judge DIAMOND". The informant said that among other things, RAFELLI mentioned that Utica has proven their theory which is a sound one inasmuch as they walked out of that city with \$50,000.00 in sales but not all of which were cash. RAFELLI is also reported to have mentioned that the office in New York was annoyed about something and that he intends to organize on a national scale. He said that it is possible that they will have to stay two or three years "here". He mentioned that they were merely laying the ground work now, lining up people with whom they can work, or holding parlor meetings and also luncheon meetings.

T-10, of known reliability, stated that on February 11, 1952, JOSEPH E. RAFFAELLI, who gave his address as "Care of Palestine Economic Corporation, 400 Madison, New York City" registered at the Lafayette Hotel in Buffalo and was assigned Room 162. T-10 also advised that ITZHAK and Mrs. VARDI also registered at the same time. They also gave their address as 400 Madison, New York City and their same connection as "PEC". They were assigned Room 110.

T-10 stated that on February 13, 1952, Mr. and Mrs. G. MARGALIT, West End Avenue, New York City, registered at the Hotel Lafayette and that the reservation had been made for them on the preceding day by RAFELLI.

In this connection on February 20, 1952, the New York Office advised that the U.S. Immigration and Naturalization Service at New York City had no record of G. MARGALIT. New York also advised that the New York Telephone Directory does not disclose a G. MARGALIT residing on West End Avenue.

T-3 stated that on February 13, 1952, RAFELLI mentioned that at the rate they had been going during the past two weeks, they were "operating on a basis of one million a year, fourteen thousand in Utica".

BU 65-2111

T-13, of known reliability, stated that on February 14, 1952, RAFELLI, in discussing his business operations, mentioned an individual who sent him a check for \$1,000.00, another person who also sent a check and a person named ROSENBERG who had held to meetings and who will see RAFELLI in mid April, 1952.

T-10 stated that on February 16, 1952, a couple who were acquainted with RAFELLI and VARDI registered at the Hotel Lafayette as Mr. and Mrs. SIDNEY GEFFEN, 2611 Genesee Street, Utica, New York and were assigned to Room 250.

On the afternoon of February 16, 1952, SAS CARL R. THACKSTON, JAMES M. BELKDSLEY and the writer observed that the GEFFENS, the VARDIS, the MARGALITS and RAFELLI went on a sightseeing tour of Niagara Falls, New York.

According to T-10, on the same date the Lafayette Hotel received a piece of mail postmarked February 14, 1952, New York City, which was addressed to Mr. JOSEPH RAFFAELI. This piece of mail bore the return address of Apartment 41, 9 West 73rd Street, New York City.

T-9, of known reliability, stated that on the morning of February 17, 1952, RAFELLI and a person believed to be SIDNEY GEFFEN had a discussion concerning RAFELLI's stock sales and business transactions. T-9 said that they talked about forming their own company and about how it would have to be a "Palestine company or corporation". They reportedly mentioned getting an article in every Jewish paper and organizing the business throughout the entire country. T-9 got the impression that RAFELLI and another person have put up an amount of money and they desire GEFFEN to match it. RAFELLI stated on this occasion that he would like to get a house for himself and his wife. RAFELLI also spoke of needing financial help. A person believed to be GEFFEN is reported to have stated that his future with Israel has been on his mind.

Through the cooperation of T-10 the contents of a telegram which was sent by RAFELLI on February 17, 1952 were secured. The telegram was sent to Mrs. F. FEIGELBAUM, 180 Cabrana Boulevard, New York City. It read as follows:

"Please ask Mr. APPLERUM of AT Fashions to send express special delivery collect all my astragate stones together with his observations and ideas of the subject. Would like samples to reach me not later Wednesday at Hotel Lafayette, Buffalo, New York. Will see you in New York next week. Love JOSEPH RAFFAELI".

On February 19, 1952, the Washington Field Office advised that the

BU 65-2111

files of that office contain no information identifiable with Mrs. F. FEIGELBAUM and Mr. APPLEBAUM. The Washington Field Office also advised that it had no information indicating the significance of the above mentioned telegram.

On February 20, 1952, the New York Office advised that the name "Mrs. F. FEIGELBAUM" mentioned in the above telegram should be YAFFA FEIGELBAUM, inasmuch as telephone directory reflects YAFFA FEIGELBAUM at 180 Cabrini Boulevard, New York City. New York also stated that the files of this office contain no information concerning YAFFA FEIGELBAUM nor anything that could be identified with Mr. APPLEBAUM.

T-16, of known reliability, stated that on February 18, 1952, RAFELLI made the statement to VARDI, part of which contained the following information:

"SAM SAPOWITZ - 425 shares
WEINSTEIN - 425 shares
MURRAY WHITEMAN, WILLIAM SERNOFFSKY, - 425 shares".

Through the cooperation of T-10, it was learned that RAFELLI on February 18, 1952 sent the following telegram:

"AVNON RAFFAELI, 55 Shedertken, Tel Aviv, Israel Congratulations assignment all luck birth love Nitas son named Alter dash work progressing well Joe"

With regard to this telegram, T-17, of known reliability, another confidential agency which conducts security and personnel investigations, stated that on one occasion RAFELLI advised he had a son-in-law who was an Israeli Government official and who was expecting a consular position in the United States.

Through T-10 it was learned that on February 17, 1952, RAFELLI reserved a room at the Lafayette Hotel for an individual who on February 18, 1952 registered as SAMUEL NEAMAN, PE Corporation, 400 Madison, New York City. He was assigned Room 417.

It was also ascertained through T-10 that Mr. and Mrs. G. MARGALIT checked out of the Hotel Lafayette on the morning of February 20, 1952 and according to T-10, they apparently intended to catch immediately a plane for New York.

T-18, of known reliability, furnished the following information.

BU 65-2111

RAFELLI and VARDI received an inter-office communication from HERBERT WIESENTHAL of the Palestine Economics Committee, 400 Madison, New York City wherein WIESENTHAL advised RAFELLI and VARDI to contact Dr. REUBEN COHEN, 485 Main Street, Buffalo and attempt to interest him in a subscription. COHEN was reportedly recommended to WIESENTHAL by A. DAVID SCHEINMAN of Pittsburgh, Pa. and it was pointed out that any commission earned by the sale of such subscription would necessarily have to be split between RAFELLI and HARRY KRONENGOLD.

T-18 further advised that attached to this inter-office communication was a letter directed to Dr. REUBEN COHEN from HARRY KRONENGOLD in order to explain the organization and purpose of the Palestine Economic Corporation. According to this letter, the Palestine Economic Corporation was established in 1926 and its founders included such noted Jewish leaders as Senator HERBERT LEHMAN, now PEC's Honorary Chairman; ROBERT SZOLD, presently Chairman of PEC Board; and BERNARD FLEXNER, NATHAN STRAUS, FELIX M. WARBURG, LOUIS MARSHALL, are other Board members. T-18 further stated that in KRONENGOLD's letter he mentioned that PEC in connection with the General Tire and Rubber Company, Akron, Ohio, is presently establishing a two and one-half million dollar plant in Israel. He said that other agreements have been made with the International General Electric Company and the Aluminum Corporation of America for distribution of their products in Israel.

According to KRONENGOLD, the Hudson Pulp and Paper Corporation has also been induced to erect a three million dollar paper mill known as the "American-Israeli Paper Mills, Limited" in Israel. KRONENGOLD concluded his correspondence with COHEN by pointing out PEC's need for large amounts of additional capital for the furtherance of economic assistance to Israel such as explained above. He stated that PEC basically serves as a channel whereby Americans invest their money to work in Israel.

SAS FRANCIS D. CONNERS and JAMES L. DENZEL observed that RAFELLI, the VARDIS and NEAMAN checked out of the Hotel Lafayette on February 21, 1952. At the New York Central Railroad Terminal NEAMAN was observed by SA CHARLES A. FERGUSON to enter a gate leading to a train bound for Chicago. A physical surveillance conducted by SA CONNERS and SA DENZEL on the same date disclosed that after boarding the train at Buffalo, RAFELLI and the VARDIS got off at Utica, New York where they registered at the Hotel Utica at 5:30 P.M. on February 2, 1952.

On April 24, 1952, T-19, of known reliability, advised that RAFELLI was not then residing in the Hotel Statler, Buffalo, New York.

BU 65-2111

On the same date, T-10 stated that RAFELLI was not at the time residing at the Lafayette Hotel, Buffalo. T-10 produced a letter which he said had recently been received by the hotel. It was addressed to JOSEPH RAFFAELI in care of the hotel with a request to forward it. The return address bore the following:

"N. R. MEADOWS, Department of State, U.S.A., Washington, D.C."

The envelope was not franked but appeared to be an envelope of the Department of State. The word "official" was struck out.

PERSONAL CONTACTS

There are set forth below in tabulated form the personal contacts made by RAFELLI and VARDI which were ascertained through physical surveillances by agents of the Buffalo Office:

With regard to SOL LENZNER, the files of the Buffalo Office reflect the following information:

T-6 in November, 1945, stated that during a meeting of the Financial Committee of the Communist Party held in Buffalo on November 8, 1945, the name SOL LENZNER of the Queen-O Bottling Works was raised as a contributor to the Party. One of the CP members present said that LENZNER was the man who offered to pay for leaflets printed by the local CP as long as he had the opportunity of approving the contents of the leaflets. It was stated at the meeting that GERTRUDE HAESSLER, known to the informants as a long time Party member, had made the approach to LENZNER concerning printing the leaflets because he was an "old timer" in the Communist Movement.

BU 65-2111

SAS JOHN T. PRYOR and WILLIAM J. BROOKHART observed that on February 14, 1952, RAFELLI and VARDI entered the home of ERNEST FREUDENHEIM, 495 Lafayette Avenue. They remained there three and one-half hours where they apparently held a meeting which was attended by approximately twelve other individuals. According to the agents, about twelve individuals left this address after the meeting was apparently over and drove away in automobiles which, according to the Buffalo Police Department, were registered in New York State as follows:

LICENSE NO.

REGISTERED TO

2E-3270	IRVING BLOOM, 287 Hartwell Road,
4B-344	LEONARD S. KAMINKER, 356 Huntington Avenue,
7B-407	THEODORE W. TANGER, 205 Commonwealth Avenue,

B-8575	ELAZER GOELMAN, 259 Hartwell Road,
ER-6743	ELIAS REX JACOBS, 366 Huntington Avenue.

The Buffalo files contain no pertinent information concerning ERNEST FREUDENHEIM but with regard to Mrs. ERNEST FREUDENHEIM, the following is noted:

T-14, of known reliability, stated that in September, 1947, Mrs. ERNEST S. FREUDENHEIM of 495 Lafayette Avenue was a member of the Win-The-Peace Conference, otherwise known as the National Committee to Win the Peace. It is noted that the National Committee to Win the Peace has been cited by the Attorney General as coming within the purview of Executive Order 9835.

T-15, of known reliability, in December, 1948 stated that he was in receipt of information that JOHN NOTO, the Western New York Sub-District CP Chairman, contacted BARBARA SHORE, known to the informant to be an active CP member, NOTO reportedly asked SHORE to prepare a list of people in the American Labor Party and the Third Party who would be interested in the New York State Council for Legislative Action which at the time was setting up state-wide branches.

The informant had no other information with regard to the New York State Council for Legislative Action. With regard to the American Labor Party, T-4 and T-5 have advised that in the Buffalo area it is under the control and domination of the Communist Party.

BU 65-2111

On December 22, 1948, T-15 stated that he was in receipt of information that on that date BARBARA SHORE furnished NOTO with a list of names of persons who might be interested in the New York State Council for Legislative Action and among them was a Mrs. ERNEST FREUDENHEIM. T-15 stated that after her name was mentioned SHORE made the remark "she's scared to death".

ESPIONAGE - IS

Itzhak Vardi is a former Israeli intelligence agent who
operated in Europe, principally in London, England, during 1949,
1950 and 1951. [REDACTED]

Investigation has revealed that on March 22, 1952, Vardi
received a letter from Jacob M. Lowy, bearing the printed return address
of Apartment 579, Windsor Hotel, Montreal, Canada. This possibly is
Lowy's permanent address inasmuch as the return address was printed on
the envelope. Vardi, while stopping at the Hotel Statler in Buffalo,
New York, [REDACTED]

Bureau files reflect that [REDACTED]
[REDACTED] appeared in person at the New York Field Office
in August, 1950, to advise that he had learned from [REDACTED]
[REDACTED] that one Jacob Lowy, a British subject who formerly

lived in Czechoslovakia, was operating a black market on materials shipped from the United States to the Austrian government under the Marshall Plan. These materials, according to [] consisted of ballbearings, copper and other critical materials and Lowy, by means of false statements and forged papers was diverting these materials to Czechoslovakia where they were sent to Skoda Works in Pilsen or the Zbrojovka Works in Brno, Czechoslovakia. [] was of the opinion the materials were used in the manufacture of tanks. He did not know whether this activity was still being carried on but stated he knew it existed during September and October of 1949. [] identified himself as []

[]

[]

b7D

[] further stated that Lowy maintained a residence in England but did not know his address. He felt that Lowy would be known to United States Army Intelligence because he fled Austria while he was an employee of the Austrian government and had been arrested because of similar misconduct. He expressed the belief that the British authorities were seeking the arrest of Lowy but did not furnish the nature of any charges.

[] requested that his name and the name of [] be maintained in confidence by this Bureau.

Bureau files further reflect that a confidential source of known reliability advised that the July 17, 1949, issue of the Viennese newspaper, "Die Presse" contained an article indicating there was a large scale scandal connected with the purchase of scrap iron by Communist agents in Austria and other western European countries for the account of Hungary and other eastern European states. According to the article, the leaders were the three Abel brothers and it was further indicated that these brothers were associated in Vienna with Jacob Lowy, a British citizen who operated the North Western Trading Company of London, England.

Investigation reflects that Vardi is not actively engaged in Israeli intelligence work []

[] He is employed by the Palestine Economic Corporation and travels to various cities in the east for the purpose of selling bonds for that Corporation.

You are requested to ascertain the identity of Jacob M. Lowy, Windsor Hotel, Apartment 579, Montreal, Canada, and to determine if this individual has any present connections with the Israeli government. It is possible that subject and Lowy were acquainted in Austria in 1949.
